ALERT PAGE

- **LACROSSE BALLS** - All game balls must include labeling which states “meets NOCSAE standard”.
- **Coaches Disqualification Penalty** – All coaches who are disqualified at any level will be suspended for the next two games (see page 96 in the CIAC Handbook), take two NFHS coaching courses (“Teaching and Modeling Behavior” and “Sportsmanship”) and the school will pay a \$50 fine. In addition to the two-game suspension and fine, the CIAC reserves the right to review any incident that results in a coach’s disqualification and may assess additional game suspensions up to and including a one-year ban. The fine and proof of taking the coaching courses must be submitted to the CIAC office before the coach can resume his/her coaching responsibilities.
- **The Boys Lacrosse Committee voted to apply a success in tournament factor when placing schools* that draw students from outside their school district boundaries in tournament divisions. The Committee will first place schools in their divisions by enrollment and then use success in tournament to move schools up in division and then rebalance the divisions. Schools of choice will receive points for each level of success in the state tournament over the past three years. These points will be added together and applied to an approved scale to determine division movement.**

A team reaching the semi-finals receives 3 points.

A team reaching the championship game receives 5 points.

A team winning a state championship receives 8 points.

3 – 7 points – Move up one division

8-16 points – Move up two divisions

Each year the committee will review results from the past three years and adjust as appropriate.

*Charter, magnet, parochial, vocational technical, vocational agricultural and Project Choice schools that have more than 25 each of male/female students from out-of-district.

- **The Boys Lacrosse Committee will continue to use LaxNumbers to rank/seed each of the four tournament divisions.**
- **OPT UP OPTION** – A school may opt up to the Class LL Division for a one year period. Written notification must be made to the CIAC (email Dan Scavone at dscavone@casciac.org) by the following deadline: February 6, 2026.
- **OUT-OF-STATE GAMES** – All out-of-state games against teams that are members of their state association will count toward tournament qualification, regardless of what playing rules they use. (see page 121 of the CIAC Handbook – Rules for Out-of-State Contests). However, games versus out-of-state opponents played here in Connecticut during the regular season must be played by NFHS rules.
- **BY STATE ADOPTION IN REGULAR SEASON GAMES** – If a regular season game is suspended before three (3) full quarters have been completed, the game shall be continued from the point of interruption. **Except** if three (3) full quarters have been completed and a winner can be determined, the game is over and is considered an official game. A suspended game may be terminated before three periods of play and considered an official game by mutual agreement of both schools.

- **BY STATE ADOPTION IN CIAC TOURNAMENT PLAY** – A game suspended either in the first half or the second half will be continued from the point of suspension with the score the same as when the game was suspended. A suspended game in either the first or second half may be ruled an “official game” by mutual agreement of both schools and with the approval of the tournament director.
- **ALL TICKET SALES FOR CIAC TOURNAMENT GAMES (QUARTER-FINALS, SEMI-FINALS AND FINALS) WILL BE SOLD AND REDEEMED VIA DIGITAL TICKETS.**

There will be a two-minute intermission between periods.

Saturdays, Sundays, and holidays may be used unless prohibited by local board policy. Sunday practices may be counted to fulfill the 10-day requirement.
- **PROMOTING SPORTSMANSHIP**

Points of Emphasis – In an effort to continue to promote good sportsmanship the CIAC Lacrosse Committee would like to emphasize the following regulations which apply to all CIAC schools in all sports.

- Any CIAC team that accumulates five (5) or more disqualifications during the regular season including the league’s tournament will be barred from CIAC post-season competition.
- Any athlete upon receiving two (2) disqualifications, either for initiating a fight or retaliating in a fight (as determined by the game official), will be declared ineligible for the remainder of the season.
- In addition, if there is a pattern of unsportsmanlike conduct exhibited by a member school team or lacrosse program, at any level of play, the school’s principal, athletic director, and coach could be requested to meet with the CIAC Lacrosse Committee which may result in further sanctions. The school will be required to present a written action plan to the committee that addresses the conduct and sportsmanship of their team and program since the school administration is ultimately responsible for the conduct of their players, coaches, and team followers.
- **CIAC TOURNAMENT SITE MEDIA POLICY** – The CIAC places tremendous value on the role the media plays in promoting and highlighting high school sports. To that purpose CIAC tournament venues and hosts should make every effort to provide a working environment conducive to all media (print, broadcast and internet based) covering our events. The following are **minimum standards**, developed in consultation with the CIAC Media Advisory Committee, which should be provided for working media at all CIAC tournament sites.
 1. A minimum of one hour following the conclusion of post-game interviews to write in the press box, press area or a suitable facility in close proximity to the site of the event (i.e. office, classroom, etc.)

2. Access to electric power (shared power strip, etc.).
3. Access to wireless internet service.

Site directors should communicate these requirements to any staff person who may be responsible for the administration of the event. If for some reason a site will not be able to provide these items for a contest, a site representative should inform the CIAC in advance and work with the media on site before the game and work to provide a reasonable solution to the issue. Members of the media who will be covering events are directed to contact the appropriate site as far in advance as possible to inform them they will be at the event and discuss what arrangements will be made for working media at the site.

- **STUDENTS WITH SPECIAL NEEDS** – Coaches are reminded to inform contest officials prior to each competition of any student with special needs who could be competing in the contest when his/her disability could impact the individual’s performance or the conduct of the competition.
- **REPORTING REGULAR SEASON SCORES** – In order to ensure that standings and rankings on both the CIAC’s websites and other sites which draw their data from us are timely and accurate, all regular season scores must be entered online on the day of the game as soon as possible following the game’s completion.

This policy includes not only the restricted playing area of the venue(s), but also the physical confines of the entire stadium / field / arena structure. For the purpose of this policy, an unmanned aerial system is any aircraft without a human pilot on board.
- **2025-2026 NATIONAL TESTING DATES – CIAC HANDBOOK** – Please be advised that because there are many options for student-athletes to take the SAT and ACT tests during the course of the school year, schools should make their teams aware of the CIAC tournament schedule that is posted two years in advance to avoid a conflict. In most sports, it is necessary for CIAC to schedule multiple games on the same day and a morning game on the day of an SAT or ACT test cannot be avoided. Please plan ahead.

8.0 RANKING / SEEDING

- 8.1 **Seedings** – Once all qualifiers are determined by 3.4 – Teams will then be seeded in their divisions by using the LaxNumbers* formula.

*LaxNumber Formula – LaxNumbers ratings are computed mathematically, with no subjective weighting or human determined values. LaxNumbers algorithm computes an overall average performance rating for teams based upon how well they play against other teams and how good those teams are. A team’s overall rating then determines a team’s ranking position based on the national, regional, state, and/or sub-state ranking categories a team is placed in. The two main factors in the algorithm are “AGD” or “average goal differential” and SCHED” or “strength of schedule”. AGD is currently calculated by accumulating the goal differential of each game, to a maximum of 10, and divided it by the number of games played. The strength of schedule is computed by averaging the rating of each game opponent. AGD and SCHED are added together to compute a team’s rating. A team’s overall rating is typically not reflective of the team’s best or worst games, but a mathematically computed average performance rating that translates game scores into a numeric representation of team performance.

8.2 **Tournament Format**

- a. If MORE than sixteen (16) teams qualify, teams will playoff in a first round.
b. If LESS than sixteen (16) teams qualify, byes in the first round will be assigned starting with the top seed on down.

9.0 SUPERVISION / SPORTSMANSHIP

- 9.1 Players and coaches disqualified in a game will be required to serve the additional penalty as outlined in the CIAC regulation on “disqualification”.
- 9.2 In the interest of crowd control and proper supervision the CIAC Board of Control has approved the tournament regulation requiring the principal of the participating schools or his/her designee to attend all tournament games. The school administrator should identify him/herself to the Site Director.
- 9.3 When a member school’s coach is ejected from a game for an infraction as prescribed the rules, the game may not continue until the member school replaces the ejected coach with a certified coach. If this cannot be accomplished within 15 minutes after the ejection, the official-in-charge will declare a forfeit win for the opposing team. **Coaches Disqualification Penalty – All coaches who are disqualified at any level will be suspended for the next two games (see page 96 in the CIAC Handbook), take two NFHS coaching courses (“Teaching and Modeling Behavior” and “Sportsmanship”) and the school will pay a \$50 fine. In addition to the two-game suspension and fine, the CIAC reserves the right to review any incident that results in a coach’s disqualification and may assess additional game suspensions up to and including a one-year ban. The fine and proof of taking the coaching courses must be submitted to the CIAC office before the coach can resume his/her coaching responsibilities.**

Each school principal and athletic director is responsible for compliance with this regulation.

10.0 **TOURNAMENT RULES / PROCEDURES**

10.1 **The home team must provide FOUR “BALL PERSONS” WITH HELMETS for each tournament game. Each team will provide two ball persons if the game is played at a neutral site. No ball people should be behind the goal.**

10.2 In all cases where a coin toss may be required, **the higher ranked team** will have the privilege of call on the coin.

10.3 Entering schools are reminded that in the event of severely inclement weather, it may be necessary to play the lacrosse FINALS on Monday, June 15, 2026.

10.4 By state adoption, in CIAC tournament play, a game suspended either in the first half or the second half will be continued from the point of suspension with the score the same as when the game was suspended. A suspended game in either the first or second half may be ruled an “official game” by mutual agreement of both schools and with the approval of the tournament director.

10.5 **CIAC Late Entry Policy**

- No tournament entries will be accepted after the established deadline except those approved by the CIAC Board of Control.
- Corrections requested by a school to an entry form that was submitted by the established deadline but prior to seeding/pairing data being published on the web site, will be assessed a fee of \$50 per correction to a maximum of \$250.
- All requests for corrections must be submitted on a support ticket via the online eligibility center. No phone request will be considered.

Tournament Regulations Violations – If a school fails to comply with tournament regulations which requires the CIAC tournament sports committee, central office staff, or the CIAC Board of Control to redo any portion of the tournament pairings or such non-compliance adversely impacts the management of the tournament, an administrative violation fee of \$500 will be imposed upon the school before entry into the tournament will be allowed.

10.6 CIAC tournament terminated games not covered by CIAC tournament rules or NFHS lacrosse rules will be resolved by the CIAC.

10.7 **Awards** – Winning and runner-up team plaques will be presented at final games. Medals will be awarded to each member of these two teams.

LL Division	45 medals
L Division	45 medals
M Division	45 medals

- 10.8 In the event of any situation not covered in these rules, the decision of the Lacrosse Committee or its representatives shall be final.
- 10.9 **Withdraw from the tournament** – Athletic Directors wanting to withdraw their team from the tournament must send a letter (email) to Dan Scavone – dscavone@casciac.org. It must be received by Wednesday, May 27, 2026.

11.0 RESPONSIBILITY OF TOURNAMENT SITE DIRECTORS

It shall be the duty of the Site Director to see that the following facilities are available well in advance of the start of the game.

- 11.1 The field should be freshly lined, following official dimensions with field markings in agreement with the most recent National Federation high school rule book. Corner, mid-line, tables and markers, are to be in place and each goal should be provided with a playable net.
- 11.2 A restraining barrier of some sort should be placed to keep spectators at least fifteen feet from the playing surface at all points. Only properly equipped ball persons shall be allowed behind the goals. In most cases crowd ropes will be considered suitable.
- 11.3 A scorer, an ADULT timer and an ADULT penalty timer will be provided by the site director and a sufficiently large scorer's and timer's table with bench or chairs will be made available for the game.
- 11.4 Suitable timing devices – the conventional time clock and air horn will be available to signal the start and expiration of playing time and appropriate substitutions.
- 11.5 Sufficient security personnel as may be deemed necessary will be on duty to control the anticipated crowd AND PROVIDE FOR THE SAFETY OF THE GAME OFFICIALS.
- 11.6 **Higher seeded teams shall provide athletic trainer services up through the quarter-finals games. For semi-final and finals, schools are expected to provide their own athletic trainer. The CIAC will arrange for athletic trainer/medical services at all semi-final and final games, ONLY WHEN THE PARTICIPATING SCHOOLS CANNOT PROVIDE THEM.**
- 11.7 Suitable benches and drinking water should be provided for players. If a request is made, dressing facilities should be provided for any team which has more than fifteen miles to travel.
- 11.8 In the event that a field is absolutely unfit for play because of excessive water, the tournament director should be notified as soon as possible. (After a rain most fields may not be perfectly dry but would be suitable for play.)
- 11.9 The scores of tournament games will be telephoned to the tournament director immediately at the conclusion of the game.
- 11.10 A list of expenses which includes all fees should be sent to CIAC, 30 Realty Drive, Cheshire, CT 06410.
- 11.11 Teams members, coaches, manager and up to 20 cheerleaders accompanying the team will be admitted free of charge to each game.

12.0 RESPONSIBILITIES OF TOURNAMENT COACHES

Coaches check the following items with each other:

- 12.1 Directions how to reach field.

- 12.2 All weekday games to start as outlined – Section 2.6
- 12.3 The higher ranked team is required to supply twenty (20) official white game balls through the quarter-final round. **If a game is played at a neutral site, each team provides six (6) balls at their end, two (2) opposite their benches and two (2) at the table. Total of ten (10)**
- 12.4 The higher ranked team shall wear **white** jerseys.
- 12.5 **When games are played at neutral sites, each team will provide two (2) ball persons.**
- 12.6 Visiting teams arrange and pay for busses.
- 12.7 Games to be played on home field of the higher ranked team in the pairings unless the home field is not a minimum of 53-1/3 x 110 yards.
- 12.8 **Home team must call in scores to Tournament Director, at the conclusion of the game.**
- 12.9 Coaches are requested to inform all site directors to honor the special game passes which are issued to Lacrosse Committee members who will act as observers during the tournament.
- 12.10 **Before a Game** – Arrive in adequate time with your team. Stay with your players at all times during the pre-game period.
- 12.11 **During A Game** – Conduct yourself (and assistants) as gentlemen at all times. Set a good example for your players and followers. Do not engage in theatrics or unsportsmanlike conduct of any type that might tend to incite your fans to bad behavior.
- 12.12 **After a Game** – Escort your team as a group from the playing surface to your assigned locker room. Stay with them in the locker room to see that all is well, win or lose. Accompany players (and any other personnel) to the bus. Travel back with them to your school.
- 12.13 Coaches and officials by the very nature of their positions exert a tremendous influence over the control of a game. This influence on the game must be exerted in a most positive manner by showing a complete respect for all official judgment calls and interpretations.
- 12.14 Although most of you have the situation well under control with your student-athletes, alcohol has shown up on the field after some championship games (brought in by spectators, but nonetheless, on the field). A word from you prior to the game to your athletes may be enough to control this situation and avoid embarrassing the team and tainting their achievement.
- 12.15 **No coach should make negative comments to the media regarding the officials. Public criticism of officials is unethical and contrary to CIAC rules.**

13.0 RESPONSIBILITIES FOR TOURNAMENT ATHLETIC DIRECTORS

- 13.1 **Before a Game** – Announce and/or publish directions for getting to the game site through local media and announce same over the school intercom.

Arrange for transportation for the team, cheerleaders and spectators from his/her school.

Cooperate with your Principal and other school administrators in briefing and educating the student body about proper behavior and good sportsmanship at tournament games.

The Athletic Director and/or his/her designated representative shall arrive at the game site well in advance of the game time and identify him/herself to the Site Director and confer with him/her as to the game-to-be. An identifying badge or tag may be issued.

13.2 **During a Game** – Sit strategically where the conduct of your coach(s), team and students can be observed. Be alert for any disruptive acts or potential trouble and do all you can to aid the Site Director in such a case.

13.3 **After a Game** – Stay afterward long enough to make certain, and satisfy yourself, that your team, coaches, cheerleaders, students, etc., are safely off the playing field and out of the building.
