## ALERT

**If there is a reasonable doubt about some decision being in conflict with the rules, the head coach has the right to an appeal of the umpires decision and seek its reversal. To ask a question about a call on the field, the head coach may only meet the calling umpire at the midpoint of their respective foul line. To ask a question about a call at the plate or when making a lineup change, the head coach may not enter the dirt circle around home plate.**

### **REGULATIONS FOR CONDITIONING WEEK FOR SOFTBALL PITCHERS** (Starting March 15)

1. The conditioning program is limited to six (6) pitchers and four (4) catchers in grades 9 through 12. This limits the number of participants to ten (10) per school with no substitutions for absentees or dropouts allowed. Winter sport athletes still in season are ineligible to take part in this program.
2. Softball conditioning for pitchers (6) and catchers (4) may be conducted for no more than five (5) days per athlete (Saturday through Friday) the week prior to the first date for softball practice as designated by the CIAC.
3. Only one session per day is permitted – the maximum length of the session is one hour and 30 minutes (1½ hours).
4. The program can be conducted indoors or out depending on the weather.
5. Balls, gloves and catcher's protective equipment are the only equipment permitted. (Bats, batting tees, fungos, batting cages, pitching machines, etc., are strictly prohibited.)
6. The program may consist only of warm-ups, stretching, calisthenics, weight training, running, other conditioning exercises and throwing. Throwing is permitted only because it is an important aspect of conditioning the arm.
7. A coach must be present at all conditioning sessions.

**NOTE: It is a violation of CIAC rules to allow work on fielding, covering bases, pick-offs or any other related fundaments, and therefore, these types of drills are strictly prohibited. Also it should not be used as a tryout, and team cuts are not permitted.**

**Safety Precautions** – Catchers should wear full equipment. Do not use anyone to assume a batters position while pitchers are throwing, since although pitching control may be an outcome of the program, it is not a program objective.

Member schools found in violation of the above rules will be subject to disciplinary review by the CIAC Softball Committee and possible action by the CIAC Board of Control.

### **Conditioning Questions and Answers**

1. Now that I have seven (7) days to get five (5) days of conditioning in for my pitchers can I bring in six (6) varsity pitchers on four days and six (6) JV/Freshman pitchers for three days?

***No, you cannot substitute players and can ONLY bring in 6 total pitchers from your roster.***

2. Do I have to bring in all 6 pitchers and 4 catchers during the five days I select for conditioning?

***No, a coach can utilize all 7 days and you are allowed to split the group as long as no one player is there for more than a total of 5 sessions on 5 different days.***

3. Can I hold two sessions on one day and split my 6 pitchers and 4 catchers in order to work in smaller groups?

***No, more than one (1) session per day is NOT permissible.***

**Coaches Disqualification Penalty** – All coaches who are disqualified at any level will be suspended for the next two games (see page 104 in the CIAC Handbook), take two NFHS coaching courses (“Teaching and Modeling Behavior” and “Sportsmanship”) and the school will pay a \$50 fine. In addition to the two-game suspension and fine, the CIAC reserves the right to review any incident that results in a coach’s disqualification and may assess additional game suspensions up to and including a one-year ban. The fine and proof of taking the coaching courses must be submitted to the CIAC office before the coach can resume his coaching responsibilities.

**Scrimmages** – Teams must have a minimum of three (3) days of practice prior to scheduling a full team scrimmage. All sports teams and individual athletes must have a minimum of ten (10) physical/exertional practice days with their school before the date of the first scheduled competition. No team/athlete shall practice/compete with their school more than six (6) consecutive days to provide a day of rest. Saturdays, Sundays, and holidays may be used unless prohibited by local board policy. Sunday practices may be counted to fulfill the 10 day requirement.

**CIAC Tournament Site Media Policy** – The CIAC places tremendous value on the role the media plays in promoting and highlighting high school sports. To that purpose CIAC tournament venues and hosts should make every effort to provide a working environment conducive to all media (print, broadcast and internet based) covering our events. The following are **minimum standards**, developed in consultation with the CIAC Media Advisory Committee, which should be provided for working media at all CIAC tournament sites:

1. A minimum of one hour following the conclusion of post-game interviews to write in the press box, press area or a suitable facility in close proximity to the site of the event (i.e. office, classroom, etc.).
2. Access to electric power (shared power strip, etc.).
3. Access to wireless internet service.
4. **NO CAMERAS OR MEDIA PERSONNEL ARE PERMITTED ON THE FIELD AND AREAS THAT ARE PLAYABLE DURING CIAC TOURNAMENT GAMES.**

Site directors should communicate these requirements to any staff person who may be responsible for the administration of the event. If for some reason a site will not be able to provide these items for a contest, a site representative should inform the CIAC in advance and work with the media on site before the game and work to provide a reasonable solution to the issue. Members of the media who will be covering events are directed to contact the appropriate site as far in advance as possible to inform them they will be at the event and discuss what arrangements will be made for working media at the site.

**Students with Special Needs** – Coaches are reminded to inform contest officials prior to each competition of any student with special needs who could be competing in the contest when his/her disability could impact the individual’s performance or the conduct of the competition.

**Reporting Scores** – In order to ensure that standings and rankings on both the CIAC’s websites and other sites which draw their data from us are timely and accurate, all regular season scores must be entered online on the day of the game as soon as possible following the game’s completion.

- Scores must be entered on the new CIAC website at <https://ciac.fpsports.org/>
- In the lefthand column select “Schedules – High School”
- At the top of the page select the school and “softball as the sport, then the team’s schedule will be displayed

**Special Requests for changes in dates, sites, or game times** will not be honored except for proms, graduations or extreme school-based activities.

**Visiting teams should be notified if a facility prohibits metal spikes.**

**Unmanned Aerial Systems at CIAC-Sanctioned Events** – The use of unmanned aerial systems, often referred to as drones, is prohibited for any purpose by any person(s) at all CIAC-sanctioned events. This policy includes not only the restricted playing area of the venue(s), but also the physical confines of the entire stadium / field / arena structure. For the purpose of this policy, an unmanned aerial system is any aircraft without a human pilot on board.

### **National Federation 2025 Girls Softball Rules Changes**

**1-8-6 Exception & Penalty** – A high school softball coach is now able to use electronic devices in the dugout for one-way communication to the catcher while the team is on defense. The penalty from Rule 3-6-11 was added to Rule 1-8-6 as well, with violators subject to ejection unless the offense is ruled to be of a minor nature.

Rationale – The committee has made these changes to support the use of emerging technology within the sport of softball. Being a permissive rule, the use of this one-way electronic communication will allow those who choose to embrace the technology an additional option to communicate with the catcher while on defense.

**3-6-11** This rule change specifies that coaches are prohibited from using the device to communicate with any other team member while on defense or any team member while on offense and the coach cannot use the device outside the dugout/bench area.

Rationale – Clarifies that a coach may use an electronic device for one-way communication to the catcher while the team is on defense.

**9-3-2b** When a baserunner who is declared out for being hit by a fair batted ball, the batter-runner is credited with a fielder's choice in the scorebook.

Rationale – This change corrects an error in the rules book that awarded a base hit in this instance.

- 4.2 A team shall forfeit a game or games if through a violation it is required to do so under the CIAC Rules of Eligibility.
