2024 CIAC GIRLS SWIMMING AND DIVING CHAMPIONSHIPS

1.0 **ALERTS**

- 1.1 Coaches should bring proof of swimming entry times to the swimming trials. The proof may be requested at the discretion of the meet referee or meet committee.
- 1.2 Due to instances at both the state meet and dual meets where a coach and diver have signed a dive sheet which lists dive(s) that the diver cannot perform safely and could ultimately put the diver at a safety risk, the following rule is being added and applies to both the regular season and postseason meets. It is fully understood that divers will attempt new dives at meets, this is not intended to be enforced on every failed dive, only when the officials believe that there is a clear inability on the part of the diver to perform the dive safely.
- This rule applies to regular season and post season meets.
 - Diving coaches must bring ALL diving sheets from all previous regular season and post season meets to ALL CIAC regular season and post season competitions.
 - In alignment with the by-laws regarding disqualifications by the diving referee, and in alignment with the safety of divers being the highest priority, if the dives listed on the diver's scoresheet are too difficult for the diver to perform safely, or, in the judgment of the officials, the diver did not make a sincere attempt to perform a dive, then the following process will be followed:
 - 1) The referee will confer with coach and diver upon disqualification, at which point the coach may provide the season's diving sheets to demonstrate clear and consistent proficiency.
 - 2) If, in the judgment of the officials, there is a lack of evidence that the diver can perform the dive, the diver is disqualified from the meet. Failure to demonstrate such will result in ejection, and will be at the sole discretion of the officials after speaking with coach and athlete.
 - 3) The official will notify the CIAC of the ejection.
 - 4) The associated school Athletic Director from which the diver attends will be notified by the CIAC.
- 1.3 At CIAC state meets, coaches will be prohibited from being in the area directly behind the starting blocks without approval from the officials.
- 1.4 **New!** Late entries will be fined \$50 per student. Late entries will be seeded in the first heat. Email any late entries and corrections to Joe Velardi, jvelardi@casciac.org.
- 1.5 **New!** All coaches who are disqualified at any level will be suspended for the next two games (see page 91 in the CIAC Handbook), take two NFHS coaching courses ("Teaching and Modeling Behavior" and "Sportsmanship") and the school will pay a \$50 fine. In addition to the two-game suspension and fine, the CIAC reserves the right to review any incident that results in a coach's disqualification and may assess additional game suspensions up to and including a one-year ban. The fine and proof of taking the coaching courses must be submitted to the CIAC office before the coach can resume his coaching responsibilities.

2.0 REGULAR SEASON

- 2.1 **Scrimmages** – Teams must have a minimum of three (3) days of practice before any interscholastic activity. All sports teams and individual athletes must have a minimum of ten (10) physical/exertional practice days with their school before the date of the first scheduled competition. No team/athlete shall practice/compete with their school more than six (6) consecutive days to provide a day of rest. Saturdays, Sundays, and holidays may be used unless prohibited by local board policy. Sunday practices may be counted to fulfill the 10-day requirement.
- 2.2 **Students with Special Needs** – Coaches are reminded to inform contest officials prior to each competition of any student with special needs who could be competing in the contest when his/her disability could impact the individual's performance or the conduct of the competition.
- 2.3 No warm down laps are permitted when the pool has lane(s) available for that purpose.
- 2.4 Weekly limitations – Teams may schedule three (3) contests in a week three times during the regular season.
- 2.5 **Sportsmanship** – Member schools are expected to conduct their relations with each other at all levels of competition in a spirit of good sportsmanship. Everyone involved has the obligation to see clearly his/her influence and act accordingly. The CIAC acknowledges that the school administration is responsible for the athletic program, including the making of broad and specific policies and procedures relating to sportsmanship and the conduct of activities in the school. To that end, the CIAC urges each school principal to adopt the following sportsmanship procedures and standards for their school and to champion the "Class Act" sportsmanship program as these standards will be used in all CIAC post-season contests.

CIAC Sportsmanship Guidelines -- The CIAC Standards for sportsmanship as defined in the Class Act program are found at http://ciacsports.com/site/?page_id=10438

- 2.6 **Coach Ejection** – All coaches who are disqualified at any level will be suspended for the next two games (see page 91 in the CIAC Handbook), take two NFHS coaching courses ("Teaching and Modeling Behavior" and "Sportsmanship") and the school will pay a \$50 fine. In addition to the two-game suspension and fine, the CIAC reserves the right to review any incident that results in a coach's disqualification and may assess additional game suspensions up to and including a one-year ban. The fine and proof of taking the coaching courses must be submitted to the CIAC office before the coach can resume his coaching responsibilities.

Coach Ejection – When a member school's coach is ejected from a meet for an infraction as prescribed by the rules, the school may not continue until the member school replaces the ejected coach with a certified coach. If this cannot be accomplished within 15 minutes after the ejection, the official in charge will declare the school disqualified.

Coaches who are ejected from a meet may not coach for the next two meets.

- 2.7 **Participation in "Outside" Meets** – Swimmers of member schools may participate as "unattached" individuals (not representing the school or outside team), in a maximum of four (4) "outside" meets per season (AAU, U.S., Boys and Girls Clubs, YMCA, etc). Choice of such outside meets to be made by swimmers with approval of the swimmer's school administration. Present weekly swimming limitations will be maintained, one of which may be one of the four allowable "outside" meets.

3.0 2024-25 NATIONAL FEDERATION SWIMMING RULE CHANGES

4-1-4 – Removes the word “clerical” from the description of the official’s authority over a meet through the completion of any reports that are responsive to actions occurring while the referee has jurisdiction.

Rationale: The referee will do what is necessary to ensure meet outcomes and related details are appropriate and accurate. The authority of the referee in this context is broad and is not limited to clerical authority only.

4-2-2e – Removes language that permits an announcement of a disqualification on the basis of a Rule 3-2-2 violation to be made by the public address announcer if the coach cannot be located.

Rationale: The change in language brings Rule 4-4-2e in line with notification protocols when violations of Rule 3-3-2 are detected. When the violation involves improper suit coverage, a public announcement is not appropriate.

4.0 RULES FOR QUALIFYING FOR THE STATE MEETS

4.1 **Number of Events Per Swimmer** – Coaches may submit swimmers/divers in a maximum of two individual events. Any swimmer/diver entered in an individual event that does not make the top 36 seeding in an event will be allowed to swim in up to three relay events. If a swimmer does make the top 36 seeds then they may not compete in more than two relays at Trials, Finals or Open.

4.2 **Alternates** – There will be two alternates for each Qualifying Meet, Divisional Championship Meet and Open Championship Meet. At the qualifying meet the heats will not be reseeded when alternates are added.

- 4.3 **Divers Qualifying** – For safety reasons, divers may not compete unless they have met the minimum six or minimum 11 dive score. The signature of the coach and diver certifies that the diver can perform all the dives listed on the diving entry score sheet and confirms the accuracy of the entry score sheet submitted.
- 4.4 **Proof of Swimming Times** – Coaches must bring proof of the submitted swimming qualifying times to the swimming trials. The meet referee or meet committee may request this proof at these meets. Proofs can be emailed to Judy Sylvester at jsylvester@casciac.org.
- 4.5 **Qualifying for Divisional Meet** – The best twenty-four (24) performances in each swimming event at the Trials will qualify for Divisional Championships. In Divisional Championships all heats are locked.
- 4.6 **Open Championships** – The best twenty-four (24) performances in each event from the Divisional Championships combined will qualify for the Open Championship Meet. Any of the twenty-four (24) finalists can advance in the finals. (Alternates will be added when vacancies exist due to scratches or declared false starts.)
- 4.7 **Open Diving Championships** – In diving the twenty-four (24) top divers plus any divers in the top three (3) of each Divisional Championships not already included in the top twenty-four (24) will automatically qualify for the state Open Championship Meet.

- 5.4 Late entries will be fined \$50 per student. Late entries will be seeded in the first heat.
- 5.5 **Seeding and Event Sheet** – The seeding and event sheet must be presented before entries become official. It must also insure that no swimmer is in more than two (2) individual events. (Diving is an individual event.) No swimmer may actually swim in more than four (4) events, no more than two of which may be individual events. No more than three (3) of which may be relay events.

Trials, finals and Open are considered one meet. Only names on the seeding and event sheet may compete. All names on the entry form must comply with the rules and regulations of the CIAC.

- 5.6 **Diving Entries** – All diving entries will be done electronically via the password protected online eligibility center. The diving information must be put on the diving score sheet. The diving form must be at CIAC headquarters by 4:00 p.m. on Monday, November 4, 2024. Confer with National Federation rule 9-4-1 for order of dives and DD requirement. Proof forms for diving must be emailed/faxed to the CIAC office by Monday, November 4. **The signature of the coach and diver certifies that the diver can perform all the dives listed on the diving entry score sheet and confirms the accuracy of the entry score sheet submitted. The diving entry form must have a minimum 10.8 DD for the six optional dives.**

Coaches must follow these steps for diving entries:

 - 3) Submit the 11 dive list.
 - 4) **Fax – (203) 250-1345 / Email – results@casciac.org or jsylvester@casciac.org** proof of qualifying score and D.D. with the officials, coaches and divers signature to CIAC by November 4.
 - 5) **Request confirmation email.**
 - 6) On the day of the meet the coach and diver must sign the diving sheet attesting that the diver can successfully complete the 11 dives listed.
- 5.7 **Names on Relays** – Names of the four competing swimmers, designating the lead-off swimmer, must be on a 3 x 5 card and turned in at the start of the specific relay event. (Prior to the first heat.) An individual does not become a relay participant until they swim in the event.

- 5.8 **CIAC Late Entry Policy** – No tournament entries will be accepted after the scheduled deadline except those approved by the CIAC Board of Control. Corrections requested by a school to an entry form that was submitted by the established deadline but prior to seeding/pairing data being published on the web site, will be assessed \$50 per correction to a maximum of \$250. All requests for corrections must be submitted by email to Joe Velardi at jvelardi@casciac.org. No phone requests will be considered. Diving proof sheets that arrive after the Monday, November 4, 4:00 p.m. deadline will be assessed a \$50 fine.

Tournament Regulation Violations – If a school fails to comply with tournament regulations and such failure to comply requires the CIAC Board of Control to redo any portion of the tournament pairings or such non-compliance adversely impacts the management of the tournament, an administrative violation of \$500 will be imposed upon the school before entry into the tournament will be allowed.

- 5.9 It is recommended that coaches advise their student-athletes to take SAT or ACT tests that are not in conflict with the CIAC swim championships.

6.0 **TOURNAMENT RULES AND PROCEDURES**

- 6.1 Coaches should bring proof of swimming entry times to the swimming trials. The proof may be requested at the discretion of the meet referee or meet committee.
- 6.2 At CIAC state meets, coaches will be prohibited from being in the area directly behind the starting blocks without approval from the officials.
- 6.3 **Photography and Video Recording** – Meet management has the full authority to restrict any and all photography and visual recording at the meet. Photography or video recording (using cameras, video cameras, iPads, cell phones, etc.) from the deck is prohibited by all individuals other than participating coach and athlete members unless prior authorization from the meet referee or his/her designee has been granted. Flash photography is prohibited during the start of any heat, including whenever any swimmer is stepping up or standing on a block for the purpose of the start of a heat.

Additionally, the following “non-camera zones” shall be enforced:

- Photography or video recording and the use of audio or visual recording devices, including a cell phone, is not permitted in changing areas, rest rooms or locker rooms.
- Photography or video recording (using cameras, video cameras, iPads, cell phones, etc.) is not permitted in the area immediately behind the starting blocks at either end of the racing course(s) while they are in use for “race starting purposes” during competition and warm-ups.
- Additional “non-camera zones” may be designated by meet management.

Any individual failing to abide by these rules may be ejected from the facility.

- 6.4 There will be a five-minute break after the 200 Medley Relay, the 500 Freestyle, the 200 Freestyle Relay, and the 100 Breaststroke at all trials, finals and open meets. This is in addition to the 15-minute break after the 50 Freestyle. The pool is open during swim breaks.
- 6.5 **Rules** – All meets shall be governed by the National Federation Swimming and Diving Rules. (Exceptions – State Open Meet where participants are not locked into heats and scoring system for Divisional Finals and Open.)
- 6.6 **Coaches** – An individual or team may not compete in the championships unless accompanied by the coach or an authorized certified coach as noted on the principal’s or his/her designee’s written authorization. (The written authorization must be presented to the meet director upon arrival.) This rule applies to diving and swimming trials, finals and Open.
- 6.7 **Trials, Finals, Open One Meet** – The championships are one (1) meet from the trials through the Open meet. A declared false start may be taken during trials, finals or Open. A competitor does not gain further eligibility once they have competed at any level of competition (Rule 3-2-1). A competitor who declares a false start is considered to have participated in that event for the duration of the championship meets.
- 6.8 **Declared False Starts** – Declared false starts are permitted in Trials, Finals and Open. The event will be reseeded at finals and open but at trials the alternate will be placed in the lane and heat of the swimmer that scratched or declared a false start. When possible, meet directors should be advised prior to the seed meeting that a swimmer, diver or relay will not compete in order to enter alternates at Finals and Open.
- 6.9 **CIAC Swimming Committee** – The decision of the CIAC Swimming Committee relative to the operation of the championships shall be final.
- 6.10 **Ineligible Competitor** – When it is discovered that an ineligible competitor participates in a CIAC individual type tournament / meet / match, the competitor will be disqualified from the competition and his/her last opponent will advance in his/her place. Teammates of the ineligible competitor remain in the competition and score points for their team. Team points earned by the ineligible competitor will be subtracted from the team’s total score. If the ineligible swimmer is part of a relay, that relay team is disqualified and their points are subtracted from the team’s total score. Team rankings will be readjusted if warranted. Opponents eliminated prior to the last competition may not re-enter the tournament. This applies to the following CIAC sports: swimming, wrestling, indoor track, outdoor track, tennis, cross country and golf.
- 6.11 **Coach Ejection** – When a member school’s coach is ejected from a meet for an infraction as prescribed by the rules, the school may not continue until the member school replaces the ejected coach with a certified coach. If this cannot be accomplished within 15 minutes after the ejection, the official in charge will declare the school disqualified.

Coaches who are ejected from a meet are not allowed to coach for the next two meets.

- 6.12 **Coaches Meeting** – At least one coach from each school must attend the coaches meeting which will be held 30 minutes before the scheduled start of the meet for **swimming and diving**.
- 6.13 **Warm-up Procedure for All CIAC Tournament Meets** – Teams will be assigned by the meet director to specific lanes at specific times depending on the number of participants in the meet and the number of lanes available. Every attempt will be made to follow the National Federation guidelines for warm-ups.
- 6.14 **Swim Down** – There will be one length of swim down after each heat of an event during all tournament meet trials, finals and Open except that there will be no swim down after the 50 free and relays. **No warm down laps permitted when pool has lane(s) available for that purpose.**
- 6.15 **Shaving Down** – Shaving down at the meet sites is prohibited during regular season meets and CIAC championship meets. Violators will be disqualified from the meet. Application of substances to the body is never to be done on the pool deck. Meet directors will designate the only area where such substances may be applied. Substances applied must be dry before swimmer may leave the application area.
- 6.16 **Inclement Weather** – In case of inclement weather check the CIAC web site – www.ciacsports.com – to find out if the event has been postponed.

Volunteer Coaches

The state of Connecticut Department of Education does not distinguish between volunteer or paid coaches when considering certifications or responsibilities. All coaches who are responsible for, or instruct students in any way must follow Connecticut State Law for certifications and responsibilities. Therefore, volunteer coaches are required to obtain the same certifications as all other coaches.
