According to the National Federation Spirit Rule Book: "If spirit competition is approved as part of the school's activities, it should be placed in perspective with the total educational program and should not interfere with the primary responsibility of spirit groups, which is to support the interscholastic athletic program." **Therefore, schools must be represented by a squad of winter cheerleading member as long as each member of the competition team is actively cheering/participating in winter cheerleading athletic events including practices and games.**

The CAS/CSAC Cheerleading Committee encourages you to participate and support this program. These championships are a worthwhile activity for all high school youth.

## **Cheerleading Cooperative Team Sponsorship**

The CSAC Board of Control shall have the authority to approve the formation of cooperative cheer teams of two or more member schools under the following conditions:

1. The determination of the proper set of circumstances which will allow multiple schools to form a cooperative team will depend on the issue of participant displacement. Schools having sufficient numbers of participants are advised not to request the formation of a cooperative cheer team. It is only when two or more schools are experiencing difficulty in obtaining the desired number of participants that the request for a cooperative cheer team should be initiated. Cooperative cheer teams may not be formed for financial reasons.
2. Multiple cooperative cheer teams cannot exceed two times the maximum determined limit which is standard for high school cheer teams.
3. The schools must be located in the same geographical area.
4. The schools must be members of CASCIAAC.
5. A cooperative cheer team will be placed in the appropriate tournament classification using the combined enrollment as follows:
  - a. 100% of the 9-12 boy or girl enrollment of the largest school in the co-op.
  - b. The % of participants from the remaining school(s) in the co-op will be calculated and that % of the co-op school(s) 9-12 boy or girl enrollment will be added to the largest school enrollment.

Example: School A 9-12 girl enrollment 500

School B 9-12 girl enrollment 250

Total 750

# of participants in co-op – 15

10 from school A – 100% enrollment 500

5 from school B – 33% enrollment of 250 83

Total 583

6. Once established and approved, cooperative cheer teams shall exist for a period of two consecutive years. However, approval may be granted for one year.
7. Written assurance shall be understood that “no cut” policies shall govern cooperative cheer teams.
8. Schools wishing to form cooperative cheer teams should jointly make application to the CSAC Board. The suggestion timeline shall be at the start of the winter sport season or prior to December 1. Further, it is understood that co-op cheer teams will cheer for their respective winter sports teams; thus not only competing in local or statewide competitions.
9. The CSAC Board reserves the right to investigate a co-op cheer team that appears to have a substantially different number of participants in the co-op. The board may render an immediate consequence for such disparities.
